

Product Specification

Ord.-No.: **100 041 / E0683558**

Specification: Stainless steel cable, V4A, Ø 8 mm for equipotential bonding

Performance: Stainless steel cable for equipotential bonding.

Material	stainless steel V4A, 1.4401
Cable structure	Single layer round strand cable according to DIN EN 12385-4
Outer diameter	Ø 8 mm
Cross section	ca. 32 mm ²
Weight	1 m = ca. 0,250 kg
Packing unit	running metre
