

Product Specification

Ord.-No.: **100 042 / E0680194**

Specification: Stainless steel cable, V4A, Ø 10 mm for equipotential bonding

Performance: Stainless steel cable for equipotential bonding.

Material	stainless steel V4A, 1.4401
Cable structure	Single layer round strand cable according to DIN EN 12385-4
Outer diameter	Ø 10 mm
Cross section	ca. 42 mm ²
Weight	1 m = ca. 0,380 kg
Packing unit	running metre
