

# Product Specification

**Ord.-No.:** 103 125 / E0680179

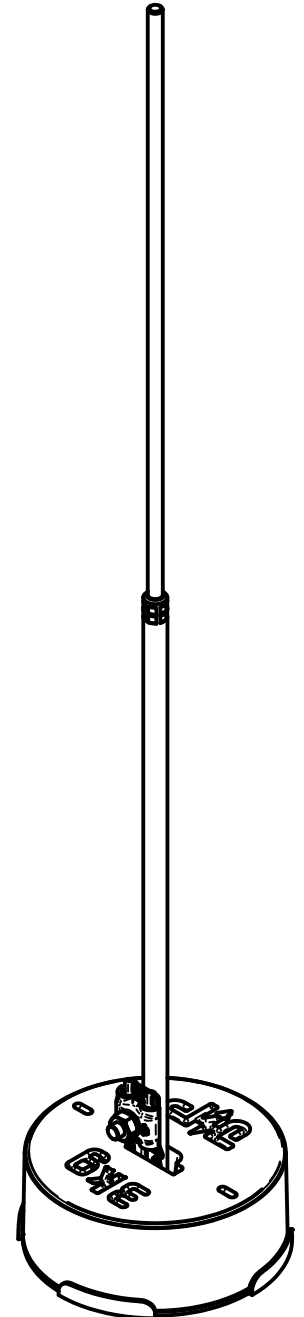

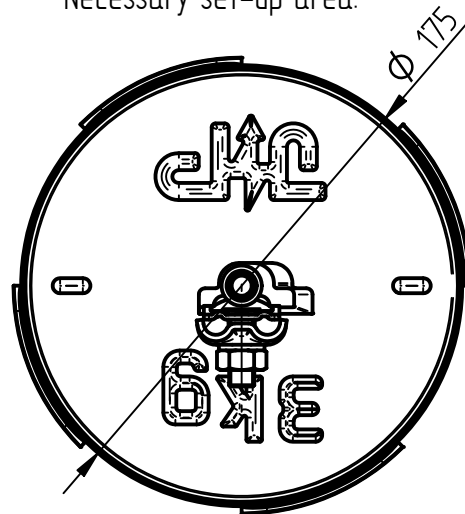

**Specification:** Air-termination tip Alu 1,0 m with base 3 kg with wedge connection clamp  $\varnothing$  8-10 mm

**Performance:** Air-termination tip according to DIN EN 62561-2, concrete base with J.Pröpster-wedge technology (wedge connection clamp) and support plate for the protection of small roof structures to be integrated in the conductor routing.

Necessary set-up area:

Material	frostproof concrete (C45/55)
Necessary set-up area	$\varnothing$ 175 mm
Wedge connection clamp	Stainless steel V2A
Air-termination tip	Aluminium, $\varnothing$ 16/10 mm (1000 mm length)
Weight	3.4 kg
Standard reference	DIN EN 62561-1 / DIN EN 62561-2
Packing unit	1 unit
